Under 8 Pirates weather the Storm!

In appallingly wet weather conditions at the Trojans Mini Rugby Tournament October 2007, the Under 8's team survived to come home as Runner's Up in the Plate Final. Sadly the Under 10's lost their Semi Final on the flip of a coin.

Coaches wanted

With the successful in-take of new young players this season, the Under 6's, 7's & 8 teams require more coaches to assist our present Coaching Team.

If you would like to join our coaching staff please come and see us on Sunday Morning or contact our Head Coach, Richard Jarvis on 023 8027 1328 or our Assistant Head Coach, Barry Heard on 01489 781861.

Eastleigh Pirates can offer RFU Coaching Courses to parents who wish to join.

Bring the Family!

Remember, player's membership entitles the family to access the club's facilities. So come along and support your children.

On a Sunday morning the Clubhouse is open from 9am serving tea, coffee, bacon sandwiches and even a full English breakfast.

At 12 noon the bar opens to enable parents/guardians to enjoy a lunchtime drink and socialise. Various evening social events are organised throughout the season, like discos, where all are welcome. End of season presentation evenings are also very popular with both players and parents/guardians.

Also, during Sunday morning, the kit shop is open. Whilst Eastleigh Pirates provide players with match shirts, you can purchase shorts, socks, training shirts, protective clothing, gum shields and other items.
